OUR VISION

JRB and Associates Construction Inc. is not just a construction company, we are a dedicated team striving to bring growth to our community, helping to maintain existing companies and assist our clients in making their dreams become a reality.

ENVIRONMENT

Our construction activities operations take us to a variety of locations in and out of Metro Manila. We believe it is our responsibility to ensure that they stay uncorrupted and that our presence does not disrupt the delicate balances of ecosystem (the micro and macro environment). Our diversified type of experience has allowed us to successfully complete a number of projects for several industries in the field of construction. Customized structures like chemical plants, offices, pharmaceutical and residential houses are some of the projects successfully completed by us.

HEALTH AND SAFETY

We believe that potential hazards and undesirable events can be identified and accidental loss (personal injury, property damage, environmental impacts or operational interruptions) can be prevented. Therefore, priority is given for development of a culture that promotes proactive interactions. We recognize the fact that our operations have the potential of affecting the health and safety of our employees and other third party personnel associated with the day-to-day activities. We aim to minimize this impact on personnel and also reduce the adverse effect on the environment due to our contracting activities.

OUR TEAM

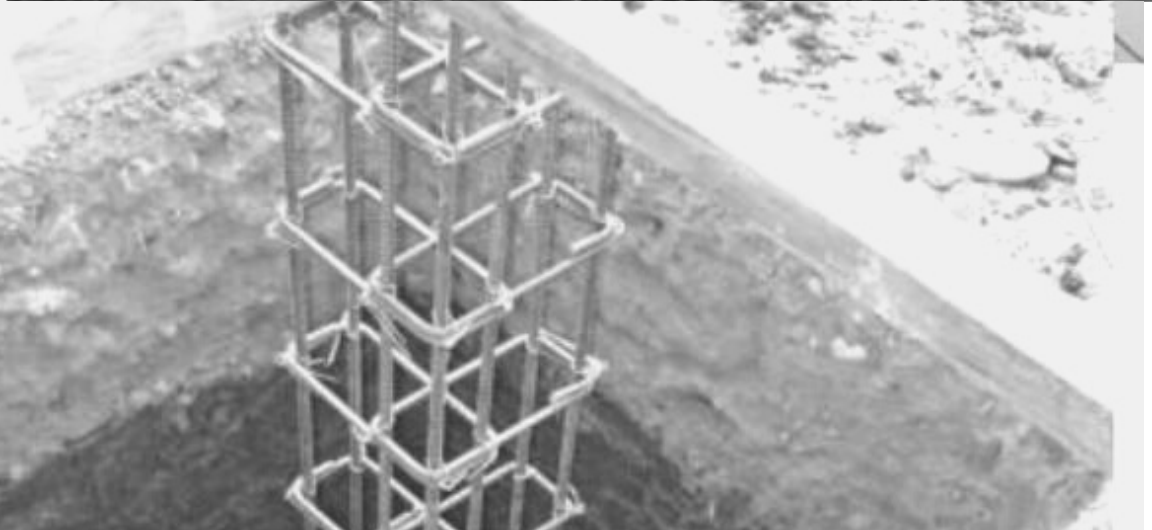

Our employees are our most important resource in achieving our mission. At JRB, we focus on recruiting, developing and retaining employees with the skills and competencies required to maintain a dynamic corporate culture driven by the values of quality, innovation and safety. We then provide our people with the most effective tools and technologies required to further ensure our customers are completely satisfied with every stage of their working partnership with JRB.
